What is the Junction?

A place to share, belong and heal. We support people wherever they are on their recovery journey.

The Junction is a new type of Recovery Community Centre that helps participants build recovery capital, which is the total of their personal, social and community resources.

Our community consists of people 19+ who self-identify as maintaining or seeking recovery or wellness from substance use.

The Junction is here to support people who are:

- Starting to think about recovery from substances (drugs and/or alcohol)
- Wanting to start substance use recovery and are in need of connection to recovery services
- Waiting for a withdrawal management bed, currently in treatment or transitioning between services
- Dealing with a recent return to use and are wanting support
- Family, friends, or partners of someone who uses substances
- Stable in their recovery and looking for a fun, safe place to continue their recovery journey

Group Descriptions

All-Pathways -Junction's flagship inclusive mutual support group for anyone who is in recovery from substance use and/or is seeking or maintaining a wellness and recovery lifestyle. The Last Tuesday of Each month is a Milestones Themed meeting- Yes, there will be cake!

All-Pathways: 2SLGBTQ+ This flavor of All Pathways is specifically for individuals who self-identify as queer, trans, and/or Two-Spirit. Topics will explore the intersectional space between queerness and recovery through an all-pathways lens. We love our allies & respectfully ask they attend general All-Pathways meetings.

Art Expressions - A creative group that uses art and expression to support emotional growth and healing. Each week offers a new activity; no artistic skills required! Art Expressions focuses on the process, not the product.

Happier Hour - Junction believes that holistic recovery includes having a good time! We encourage participants to join an ever-changing variety of activities like karaoke, trivia, bowling, games, and movies!

Mindful Musings - A calm and creative space to find grounding in your day. Join us for a variety of mindfulness techniques, including guided meditation, ambient sound baths, breathwork, poetry, and journal writing. In this group, we focus on calming vibes, creativity, and connecting with each other.

Music Makers - In a 4-week rotation, participants are given the opportunity to share meaningful songs, explore the variety of musical instruments we have available, take part in a range of workshops, and collaborate on group performances. No experience required!

Week 1: **Pass the Aux Music Share**

Week 2: **Instrument Exploration**

Week 3: **Soft Jam**

Week 4: **Themed Workshop**

Navigator Drop-in - Come and meet with one of our Recovery Navigators to discuss wellness and recovery goals and/or to connect with services in your community.

SMART Recovery® - **(Facilitated by the VCH SMART Program)** Self-Management and Recovery Training is a transformative method of reframing substances and behaviors which no longer align with your values towards unconditional positive self-regard and willingness to change.

Smudge & Feather - Join us for a Smudge and feather passing while we discuss recovery & spirituality from an Indigenous perspective.

Yoga with Melissa - A body & mind practice that combines movement, meditation, and breathing. Our instructors lead sessions from a trauma-informed and accessibility mindset. Leave your mat at home, we've got all the gear!
