What is the Junction?

A place to share, belong and heal. We support people wherever they are on their recovery journey.

The Junction is a new type of Recovery Community Centre that helps participants build recovery capital, which is the total of their personal, social and community resources.

Our community consists of people 19+ who self-identify as maintaining or seeking recovery or wellness from substance use.

The Junction is here to support people who are:

- Starting to think about recovery from substances (drugs and/or alcohol)
- Wanting to start substance use recovery and are in need of connection to recovery services
- Waiting for a withdrawal management bed, currently in treatment or transitioning between services
- Dealing with a recent return to use and are wanting support
- Family, friends, or partners of someone who uses substances
- Stable in their recovery and looking for a fun, safe place to continue their recovery journey

Group Descriptions

All-Pathways -Junction's flagship inclusive mutual support group for anyone who is in recovery from substance use and/or is seeking or maintaining a wellness and recovery lifestyle. The Last Tuesday of Each month is a Milestones Themed meeting- Yes, there will be cake!

All-Pathways: 2SLGBTQ+ This flavor of All Pathways is specifically for individuals who self-identify as queer, trans, and/or Two-Spirit. Topics will explore the intersectional space between queerness and recovery through an all-pathways lens. We love our allies & respectfully ask they attend general All-Pathways meetings.

Auntie's Kitchen Table - Find your voice at Auntie's Kitchen Table! Let's smudge, share, snack, and celebrate our healing journey together! This group is for women, two-spirited, and non-binary folks to gather with our indigenous staff to share in connective wellness.

Building Back - An open drop-in space designed for our community to share, belong and heal. Grab some coffee, snacks, games, and maybe even some connection!

Happier Hour - Junction believes that holistic recovery includes having a good time! We encourage participants to join an ever-changing variety of activities like karaoke, trivia, bowling, games, and movies!

Navigator Drop-in - Come and meet with one of our Recovery Navigators to discuss wellness and recovery goals and/or to connect with services in your community.

SMART Recovery® - (Facilitated by the VCH SMART Program) Self-Management and Recovery Training is a transformative method of reframing substances and behaviors which no longer align with your values towards unconditional positive self-regard and willingness to change.

Smudge & Feather - Join us for a Smudge and feather passing while we discuss recovery & spirituality from an Indigenous perspective.

Yoga with Melissa - A body & mind practice that combines movement, meditation, and breathing. Our instructors lead sessions from a trauma-informed and accessibility mindset. Leave your mat at home, we've got all the gear!
